

By leaving a gift in your Will you can help ensure that we'll be there to help families get the help and support they need

When a family have a child who is critically ill at Alder Hey, the family face a long journey. We help families at every step along the way, offering advice, support, and an understanding, but we are only able to help families thanks to the generosity of our supporters. We understand that your family and loved ones will always come first. However, once you've looked after those closest to you, please think about leaving a gift in your will towards our work.

By leaving a gift in your Will to Ronald McDonald House Alder Hey, you can make sure that we'll be there for families. If you have already added Ronald McDonald House Alder Hey to your Will, we would love to know of your intentions to help us plan for the future.
