NOTICE OF DATA TRANSFER FROM RONALD MCDONALD HOUSE, ALDER HEY LIVERPOOL

In this notice, we outline what the merger between Ronald McDonald House, Alder Hey Liverpool and Ronald McDonald House Charities UK (RMHC UK) means for personal data held by Ronald McDonald House, Alder Hey Liverpool. We outline your rights over that data and how to contact us about it.

Transfer of data

Ronald McDonald House, Alder Hey Liverpool (Registered charity in England and Wales as Alder Hey Family House Trust Fund, number 1008765) will become part of the national charity Ronald McDonald House Charities UK in England and Wales (802047) and in Scotland (SC040717) anticipated on 13th December 2021.

Upon merger, personal data provided to Ronald McDonald House, Alder Hey Liverpool will continue to be processed, for the same purposes, but with Ronald McDonald House Charities UK named as the 'Data Controller' under the Data Protection Act 2018 as follows:

Data Controller: Ronald McDonald House Charities UK in England and Wales (802047)
and in Scotland (SC040717)
Registered Office: 11-59 High Road, East Finchley, London, N2 8AW

When the charities merge, Ronald McDonald House, Alder Hey Liverpool will continue to operate as it did before the merger. Over the next 3-6 months we will combine how we work to deliver our shared purpose with our families at the heart of everything that we do, this includes how your data is processed.

What this means for you

Ronald McDonald House Charities UK shares the same vision as Ronald McDonald House, Alder Hey Liverpool to provide home from home accommodation for the families of seriously ill children receiving care and treatment at Hospital, including Alder Hey.

We are committed to keeping your personal data safe and treating it with respect; the basis for processing your data will remain unchanged and as such we will continue to only process it for the purposes you gave it to us. At first, your data will remain stored at our House in Alder Hey, within our current IT system and our existing secure Database. As the charities merge, the IT system will change to the one used by Ronald McDonald House Charities UK and the methods we use to collect and look after your personal data may also change.

You can read the full Privacy Policy of Ronald McDonald House Charities UK on its website:
